

Name	Dr. K. Anton Savio Lewise				Designation	
Date of Joining	06/06/2022				Assistant Professor	
Research Areas	Primary: Material Science, Composite Materials, Manufacturing Technology, Friction Welding				Email: antonlewise@karunya.edu kaslewise@gmail.com Contact : +91-8122846066	
Education	UG	Aeronautical Engineering	Noorul Islam College of Engineering (Anna University)		2009	
	PG	Aeronautical Engineering	Anna University		2012	
	PhD	Aeronautical Engineering	Noorul Islam Centre for Higher Education		2022	
Total Experience (Years)	Teaching		Industry		Research	
	10		-		2.5	
Area of Specialization	Propulsion, Aircraft Systems, Aerospace Materials, Aircraft Manufacturing					
Subjects Teaching	Under Graduate			Post Graduate		
	❖ Aircraft Propulsion ❖ Rocket Propulsion ❖ Aircraft Systems & Instruments ❖ Aero Engine Maintenance & Repair			❖ Advanced Propulsion Systems		
No. of Papers Published	Scopus	15	Web of Science	04	UGC/Others	02
	International: 07		No. of FDPs attended 06		No. of Guest Lectures Delivered - Nil	
Patents	-					
Research Guidance	Ph.D. : -		PG Level : 15		UG Level : 30+	
Research Grants	-					
Professional Memberships	❖ The Indian Institute of Metals - # 58430 ❖ Aeronautical Society of India - G-13511					
Awards / Honours	-					
Department Responsibilities	Coordinator for <ol style="list-style-type: none"> 1. IQAC: Internal Quality Assurance cell 2. NAAC: National Assessment and Accreditation Council 3. NBA: National Board Accreditation 4. NIRF: National Institution Ranking Framework 5. In-charge for Aircraft Systems Lab 6. Aeromodelling Club 					
Consultancy work
